Our activities:

- musical performances at celebrations, events, festivals and fairs
- appearances in Luebeck and all over Germany
- annual trips around Europe (e. g. Denmark, Spain, Belgium, Hungary)
- regular participation in music festivals and championships

In addition to our numerous performances, „non-musical“-activities are a part of our annual program as well. For example the summer celebration, trips to theme parks, our summer camp, the end-of-season party, our Christmas celebration and many more.

In the process we get supported by our voluntary club members in many ways.

We want you!

You are interested in music and would like to play or learn an instrument? You would love to meet new people in a great community and seek a lot of fun?

Then this is the right place for you!

No matter how old you are, how much or little music experience you have or where you're from: Everyone is warmly welcome in our club.

Just come along and convince yourself of our musical versatility and the large variety of instruments you can learn. We are sure you will find something suitable.

Our rehearsals take place in the **Daimlerstraße in Luebeck** every **Friday from 6:30 pm.** (Sports hall of the "Schule an der Wakenitz".)

That's us:

We are a young and modern marching band from the beautiful Hanseatic city of Luebeck.

With our music we want to inspire our audiences and convey the joy of making music to them. Our special feature is performing show elements during our performances. We go in for quality, so that we can always bring out our best.

During the participation in various championships and competitions we were able to convince the spectators and the judges of our presentation.

Due to our large repertoire we are very versatile in concert and marching performances.

We were able to achieve the following accomplishments:

European accomplishments

- 2018 Marschparade, *Europameister* (Rastede)
- 2018 Marschwertung, *Goldmedaille* (Hamont)
- 2018 Marsch- & Standspiel, *Goldmedaille* (Hamont)

German championship of music

- 2017 Konzertwertung, *Silbermedaille* (Rastede)
- 2016 German Championship of Music, *3-facher Deutscher Meister* (Lindau, Harz)
